### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel Claim 16.

This corresponds to the description of cancelled claims in the response filed 4-3-06 and the currently narrowed claim 1 doesn't provided for other binders as described in claim 16.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest the combination of an electrophotographic photoconductor undercoating of a charge transport material in a polyamide binder. Although it is known in the art to use polyamide binders in undercoat layers, comparative results overcome any possible obviousness rejection over the prior art of record

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Chapman whose telephone number is 571-272-1381. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Huff can be reached on 571-272-1385. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
